I am Responsible, a two-act history play by our own Jackie B., explores the myriad ways A.A.'s local and world service structures carry a message of hope to alcoholics around the world, taking audiences in recovery on a journey from the birth of the **Big Book** through A.A.'s coming of age at the 1955 **General Service Conference** in St. Louis, and the emergence of the **Twelve Concepts** in the 1960's. This will be the first and only performance in Marin County!
