Call for Stories to Update

"A.A. for the Older Alcoholic" Pamphlet

A recommendation has been made to update the stories in the "A.A. for the Older Alcoholic" pamphlet. Cooperation with the Professional Community/Treatment and Accessibilities Committee is seeking stories from a broad cross section of older A.A. members to make the pamphlet more representative of the Fellowship.

Please email your 500-800 word, double spaced story to: access@aa.org and put "A.A. for the Older Alcoholic" in the subject line of the message.
