The Sunshine Club brings meetings to members of the Fellowship who are unable to attend regularly scheduled meetings due to illness, accident, or a disabling medical condition.

The Sunshine Club is so excited to be back in action and ready to bring in-person meetings to members. We are in vital need of people to be of service in both the San Francisco and Marin County Fellowship!

We are holding a volunteer orientation for interested members who have at least one year of continuous sobriety. We hope you will join us at our upcoming Zoom orientation to become a volunteer or learn more.

Please spread the word about this valuable service in our Fellowship. Contact us at sunshine@aasfmarin.org.
