Assembly Voting Members of California Northern Coastal Area 06

- Current General Service Representatives (GSRs), or their alternates if the person with whom they serve is not present;

- Panel 71 District Committee Members (DCMs), or their alternates if the person with whom they serve is not present;

- Panel 71 District Committee Member Chairs (DCMCs), or their alternates if the person with whom they serve is not present; and

- Panel 71 Area Officers.

Please do not vote if you are not a voting member, and only vote once per ballot. Alternates should only vote if the GSR, DCM, or DCMC is not present at the assembly. Please call or text your counterpart if you aren't sure whether they are here (either on Zoom or in the physical room).

This is an honest program, so we trust each other to only vote when appropriate.

In Person Attendee Voting

- If you are a voting member, use the paper ballots.

- Write the person's full name, or at least first name and last initial – and write neatly. Illegible ballots or those with names not on the slate won't be counted.

- Please do not fold your ballots before giving them to the ballot collectors.

Online Attendee Voting

- If you are a voting member, use the Zoom poll to vote. Be sure to scroll down to see all the names.

- If the poll has two questions in order to accommodate more than 10 names, be sure to answer both questions, but do not vote for more than one person. In the question that does not contain the name of the person you are voting for, there will be a place to indicate you voted for someone in the other question.

- If you are a voting member on Zoom and do not see the poll when it is launched, you may text your vote to 916-692-9317. Please only use this option if absolutely necessary.

- If you are not a voting member, please do not vote. The poll will automatically disappear from your screen when closed by the host, or you may close the poll on your device without voting by clicking the x, or the tapping the word "close," in the top corner of the poll window.
