

**San Francisco and Marin Intergroup
Urgent Announcement re: Marin Teleservice**

Dear Intergroup and Trusted Servants:

Please read this announcement from San Francisco and Marin Intergroup regarding Marin Teleservice at A.A. meetings you attend. With gratitude!

READ AND POST AT ALL A.A. MEETINGS (until 8/22):

Please be advised the Marin Teleservice helpline is no longer operating, due to a termination of service when the service provider disconnected the phone number. Going forward, call San Francisco Teleservice at **415-674-1821** to receive help and talk to a recovering alcoholic. Share this announcement at all local A.A. meetings you attend.

Currently Marin Teleservice is reviewing its options, which may include merging with San Francisco Teleservice. Consolidating the Marin and San Francisco services would allow Marin Teleservice Committee to better focus on serving the helpline rather than the administrative back-end. As Marin Teleservice examines its options, we are asking A.A. groups for input. If your group has input or ideas, please email marintelesevicechair@gmail.com before its next committee meeting on August 22.

Thank you—and be sure to spread the word!
